With Pentecost upon us, be moved to grow strength and diversity in your community. Since 1961 Palms Australia has prepared individuals and organisations to work effectively in culturally diverse environments and situations.

Drawing on our experience we offer the **Neighbours Without Borders** 3-day residential cross-cultural training for advocates and leaders seeking to enrich their community by engaging the diversity of their people. In today's world a community without diverse inputs struggles to find solutions to evolving issues. Participants in the course will be guided to ascertain, analyse, and act on the opportunities for their community to achieve the potential diversity provides to grow greater capacity.

You can learn more, including some practical and conceptual tools, at a free webinar at 5.30pm AEST on Thursday 30 June 2022. Register: <https://bit.ly/3NMebVI>
