

Social Justice Sunday Statement 2022-23

Respect: Confronting Violence and Abuse points out that the roots of domestic and family violence “lie in the abuse of power to control and dominate others” and that “this stands in contrast to the relationships to which God calls us”.

Our relationships should be “marked by equality and reciprocity rather than domination and violence, respect and freedom rather than coercion and control”.

We know that most often those who suffer violence and abuse in homes and families, in workplaces, and in communities, are women and children while the perpetrators are most often men. We support women in calling for respect in relationships; their lives and those of their children are sacred.

Respect: Confronting Violence and Abuse focuses in a special way on the problem of spiritual violence and abuse. It discusses how religious teachings – including our own – may be manipulated by perpetrators to excuse violence or to exert control over others.

Cultural factors in the Church and in society often also play an important role in the violence and abuse suffered in families, households, communities, and workplaces. This behaviour is sinful.

We believe that respect, dignity and justice, transformation and hope are possible.

The Statement affirms the work being done by faith communities and organisations to support those who experience domestic and family violence and abuse, and to address the drivers and enablers of violence. It points to further ways in which we can all respond to spiritual violence.

Finally, it calls for faith communities to support and believe those going through domestic and family violence and abuse, to hold perpetrators to account and work towards individual and social transformation.

28 Aug: Prayer for Social Justice Sunday

Loving God, you made each of us in your image and likeness.

Open our eyes to recognise one another as equals, replacing domination and control, violence, and abuse, with mutuality, reciprocity, respect, and freedom.

Help us to love like you.

Jesus Christ, you rejected the use of religious traditions to justify violence.

Teach us to unmask manipulations of our faith used to justify violent, abusive, or coercive behaviour.

Teach us to be people who show tenderness, respect and care for others as you did.

Holy Spirit, you are with us always, showing us the way.

Move us to assist those who experience violence and abuse, and support their call for justice.

Empower us to hold perpetrators of violence and abuse responsible, encouraging them to change their behaviour.

Amen.

Catholic Charities Appeal

September is Catholic Charities Month. Charity is at the heart of Living Catholic. The Catholic Charities Appeal was founded in 1941 by Archbishop Beovich to help people in our community. Originally the Appeal was established to support the four orphanages in the Diocese. As social circumstances changed the large orphanages were closed and children were cared for in family-type homes. This led to an increase in the number of Catholic welfare agencies providing for the different needs of children and families. A call for increased giving to the Catholic Diocesan Charities Appeal was made. Archbishop Gleeson was then able to include these other agencies in the Appeal. Catholic Charities is your umbrella organisation that supports the following agencies working with the most vulnerable in South Australia: Hutt St. Centre, Aboriginal Catholic Ministry, Our Lady of La Vang & St. Patrick's Special Schools, Centacare Catholic Family Services. The Annual Catholic Charities Appeal will take place in our Parish on 18 September. Kindly donate generously to this noble cause and help our fellow South Australians. **A special collection will be held on 18th September in our Parish to support Catholic Charities.**
