

# ADELAIDE CATHEDRAL PARISH

First Sunday of Lent-Year B

18th February 2024

Meet **Leaia** from Samoa. Not having access to a reliable source of clean water was very difficult for Leaia and her family. But, with the support of Caritas Australia, a water tank was installed at their home, improving their health and living conditions.

Meet **Memory** from Malawi. Memory, the eldest daughter from a rural Malawian family, trained to become a carpenter and is now a trailblazer for future generations of women in her village and country.

Throughout Project Compassion, you will get to know the stories of Ronita, Leaia and Memory. Journey with them as they forge a path to a brighter future for all generations.

With your support, Caritas Australia has been able to support communities around the world to tackle poverty, food security, education, water and sanitation and disaster risk reduction. Project Compassion 2024 reminds us that the good that we do today will extend and impact the lives of generations to come. Together we can help vulnerable communities face their challenges today and build a better tomorrow *for all future generations*.

Please take home a Project Compassion box or set of donation envelopes to support Caritas Australia this Lenten season and help support vulnerable people around the world, now and **For All Future Generations**.

As St Pope John Paul II said, "The future starts today, not tomorrow." You can donate through Project Compassion donation boxes and envelopes available at the entrance of the church, by calling 1800 024 413 or visiting: [caritas.org.au/project-compassion](https://caritas.org.au/project-compassion)

We would like to thank all our well wishers and parishioners for their continued support to Caritas Australia that celebrates 60 years this year in Australia.

This year, Project Compassion brings you the stories of three resilient women from three different corners of the world. They are facing vastly different challenges, but are all united by one dream: to create a better tomorrow *for all future generations*.

Meet **Ronita** from the Philippines. Ronita is a mother of two young boys living in a slum in Quezon City. She went back to school to finish her education so that she could earn income to support her children.

## Cathedral Car Park and Staircase Driveway on the Cathedral lawns and Driveway in the Underground Car park

All pedestrians and parents with baby strollers must ONLY use the carpark staircase when entering and exiting the underground carpark. Using the carpark ramp as a pedestrian walkway or for baby strollers is a major safety hazard. Please avoid doing so.

Please do not double park your vehicle in the underground car park driveway. Blocking the safe entry and exit of vehicles during Weekend Masses is a major safety hazard. Parking on the driveway of the Cathedral lawns is also prohibited at all times.

Both the driveways (underground car park and on the lawns) must be free for movement of vehicles at all times.
